

# AP Young Photographer

## AP Rookie

- Use our website before your visit to have a look at our gallery. What sort of images of the AP are most appealing to you? Why?
- Have a look at how we use video to assist our customers:  
<https://www.aquaparkgroup.co.uk/rutland/prices-and-visitor-info/>
- On your visit find where the AP Photographers take group shots. What factors do they have to take into consideration to get great shots of people on the shore?
- What do our Photographers have to consider to take good action shots on the park?

## AP Hero

- How does having images of the park and our customers assist us in promoting the business?
- To what extent has drone photography helped us to portray the images we want to?
